DRIVER LICENSE OFFICE TO CLOSE FRIDAY

~ Duval County Tax Collector continues to serve motorists at nine locations ~

JACKSONVILLE - The Florida Department of Highway Safety and Motor Vehicles announces upcoming changes to a local driver license office. The state-operated driver license office, located at 7439 Wilson Blvd., Jacksonville, FL 32210, will close for business on Feb. 18. The Duval County Tax Collector continues to serve motorists at nine other locations throughout the county.

“We are pleased that through our partnership with Duval County Tax Collector Mike Hogan and his staff, residents have several convenient locations throughout the county to obtain their driver licenses and identification cards,” said Division of Driver Licenses Director Sandra Lambert.

Motorists can prepare for their next trip to obtain a new or renewed driver license or identification card by visiting www.GatherGoGet.com. Florida requires additional documents, so visit the website to be sure you have everything you need before you make the trip.

When possible, the Department encourages customers to skip the trip and conduct their driver license business online at www.flhsmv.gov, where they can access various online services. Customers can renew their driver licenses, ID cards and vehicle tags, as well as change their address from the comfort of their home or office. There are no surcharges for using the Internet.

The Florida Department of Highway Safety and Motor Vehicles provides highway safety and security through excellence in service, education and enforcement. The Department is leading the way to a safer Florida through the efficient and professional execution of its core mission: the issuance of driver licenses, vehicle tags and titles and operation of the Florida Highway Patrol.
